On February 9, 2021, Governor DeWine asked schools and districts to work with their communities and educational stakeholders to help students continue to advance academically and to make up for any learning that may have been lost or delayed due to the coronavirus pandemic and related disruptions.

“This once-in-a-lifetime pandemic has impacted all of us, so it should be no surprise that it has impacted our children. But we should not panic, nor should we be surprised by the results of assessments,” said Governor DeWine. “Instead, we should do what Ohioans have always done when facing a challenge – stay calm, roll up our sleeves, and work to solve the problem.”

Governor DeWine has requested that schools and districts design plans that address learning recovery and extended learning opportunities to meet the needs of students that could include, but are not limited to, extending the current school year, beginning the new year early, extending the school day or instituting summer programs, tutoring, remote options, and other remedial or supplemental activities.

Plans should address, but are not limited to, the following key components:

- **Impacted Students:** How will schools and districts identify which students have been most impacted by the pandemic in terms of their learning progress (with a focus on the most vulnerable student populations)?
- **Needs Assessment:** How will schools and districts identify the needs of those students?
- **Resources and Budget:** What resources are available to address those needs? Generally, what is the budget for the plan?
- **Approaches:** What approaches can best be deployed to address those needs? (This may include approaches such as ending the school year later than scheduled, beginning the new year early, extending the school day, summer programs, tutoring, and remote options.)
- **Partnerships:** Which local and regional partners (such as Educational Service Centers, Information Technology Centers, libraries, museums, after-school programs, or civic organizations) can schools and districts engage in supporting student needs?
- **Alignment:** How can this plan reinforce and align to other district or school plans? This may include but is not limited to Student Wellness and Success Fund plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans.

Each district or school should consider its unique needs and issues and prepare its plan in a way that responds appropriately and leverages the assets of its unique partners including their Educational Service Center and other regional and community-based partners. Each district or school should consider a wide range of representation and voices from district and community stakeholders in planning for learning recovery and extended learning opportunities.

The governor asked schools and districts to provide their plans to the public and General Assembly no later than April 1.

This template has been designed to assist districts in meeting and exceeding this requirement and in supporting their long-term instructional planning efforts. Please refer to the Planning Support Document at the end of this template for guiding questions and resources.

Questions, comments and concerns can be emailed to: ExtendedLearning@education.ohio.gov

ODE’s Planning for Extended Learning FAQ’s
Identifying Academic Needs

**Impacted Students:**
How will schools/districts identify which students have been most impacted by the pandemic in terms of their learning progress (with a focus on the most vulnerable student populations including but not limited to disengaged students)?

**Considerations:**
- **Resources** (Existing and Needed)
- **Partnerships** (Local/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, etc.)
- **Alignment** (Other District/School Plans, Wellness and Success plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans, student success plans, etc.)
  - Alignment with current OIP five-step processes (1-Identify Critical Needs, 2-Research and Select Evidence-Based Strategies, 3-Plan for Implementation, 4-Implement and Monitor, 5-Examine, Reflect, Adjust)
- **Core Questions to Consider:**
  - What do students need to know?
  - How do we know if they’ve learned it?
  - How do we intervene for those students who have not learned it?
  - How do extend other opportunities for those who have learned it?

**Budget**

### Spring 2021
- **Districtwide Assessment**
  - NWEA MAP ELA and Math - K-8, ELA, Math, 9-12 in designated courses for ELA and Math
  - CogAT -grade 2, 3 and 5

### Summer 2021
- **Districtwide Assessment**
  - NWEA MAP ELA and K-8, ELA, Math

### 2021 - 2022
- **Districtwide Assessment**
  - NWEA MAP ELA and Math assessment - K-8, ELA, Math, 9-12 in designated courses for ELA and Math
  - Gifted: CogAT -grade 2, 3
  - 5 Third Grade Screener - InView and Naglieri
  - NWEA MAP Growth ELA and Math K-8
  - Kindergarten Readiness Assessment (KRA)
  - ELPA21 Newcomer Screener
  - Fall Early Learning Assessment (ELA)
  - Preliminary Scholastic Aptitude Test (PSAT)
  - Ohio English Language Proficiency Assessment (OELPA)

**Universal Screeners and Diagnostic Assessment**
- Diagnostic Reading Assessments
- Aimsweb

The district will also utilize other universal screeners in 2021-2022 to determine areas of need from the data collection process.
### Districtwide Assessment
- NWEA MAP ELA and Math assessment - K-8, ELA, 9-12 in designated courses for ELA and Math
- CogAT -grade 2, 3
- NWEA MAP Growth ELA and Math K-8

### Universal Screeners and Diagnostic Assessment
- Diagnostic Reading Assessments
- Aimsweb Plus+
- Observation Survey

## Approaches to Address Academic Gap Filling

**Approaches & Removing/Overcoming Barriers**

<table>
<thead>
<tr>
<th>What approaches will schools/districts use to fill learning needs identified above?</th>
</tr>
</thead>
<tbody>
<tr>
<td>What steps will be taken to remove/overcome barriers that may be associated with the “Gap Filling Approaches” (transportation to tutoring, no data to track/identify specific student needs, funding concerns to support approaches, etc.)?</td>
</tr>
</tbody>
</table>

### Considerations:
- **Resources** (Existing and Needed)
- **Partnerships** (Local/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, etc.)
- **Alignment** (Other District/School Plans, Wellness and Success plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans, student success plans, etc.)
  - Alignment with current OIP five-step processes (1-Identify Critical Needs, 2-Research and Select Evidence-Based Strategies, 3-Plan for Implementation, 4-Implement and Monitor, 5-Examine, Reflect, Adjust)
- **Core Questions to Consider:**
  - What do students need to know?
  - How do we know if they’ve learned it?
  - How do we intervene for those students who have not learned it?
  - How do extend other opportunities for those who have learned it?

### Budget

### Spring 2021

- **Warrior Blue,** every Monday and Tuesday or **Warrior Green Days,** every Thursday and Friday
  - Four-day option for English Language Learners
  - Four-day option for Students with Disabilities

Wednesday would be a virtual learning day to allow for asynchronous work, teacher-led workshops, intentionally designed interventions for students in need, and teacher professional development.

On days when students are not on the physical campus, they would engage in high-quality asynchronous virtual learning using blended learning best practices. Select classes would be available for a live stream of the classroom experience and recorded for student review.

**Professional Development for staff - 2020-2021 Topics**
<table>
<thead>
<tr>
<th>WINTON WOODS LEARNING RECOVERY AND EXTENDED LEARNING PLAN</th>
</tr>
</thead>
</table>

Trauma Informed Systems of Support, Newsela, Google, ECHO Resources, Social Emotional Learning, CANVAS, Virtual Engagement learning programs, Wellington Engagement Index, Youth Mental Health First Aid USA.

**Partnerships**
Hamilton County Educational Service Center

**Staff**
Literacy and Math Coaches: provide support to teachers regarding best practices in instruction, collecting and analyzing data, and choosing and implementing targeted interventions as needed

**Summer 2021**
Partner with the Public Library of Cincinnati and Hamilton County to ignite summer reading with Overdrive SORA Reading App for digital access to eBooks and audiobooks.
- Expand summer learning to grade 1
- Extend summer school hours
- Include activity options

**Summer Learning Opportunities 1st-6th**
- Literacy and Math
- Capturing the Hearts of Readers
- Enrichment-Coding and S.T.E.A.M.
- English Language Program
- Cheerleading
- Dance and Movement
- Basketball
- Sports of all Sorts

**Summer Learning Opportunities 7th-8th**
- Credit recovery
- Wellness
- Creative Writing,
- STEM/STEAM, and other fields of study
- 10 Stars Trendsetters Character Building

**Summer Learning Opportunities 9th-12th**
- Algebra 1
- Credit recovery
- Art Portfolio
- Music Appreciation
- Spanish Prep
- Seal of Biliteracy Prep

**2021 - 2022**
Focus on intervention/supports during the regular school day (additional staff may be needed)
- HS Summer Credit Recovery
- Additional reading and math tutors to support student

### Spring 2021
- Trauma Informed Systems of Supports training will continue.

### Summer 2021
- Examine various screening assessment tools
- Identify the SEL Universal Screener that will be utilized districtwide.
  - Panaroma
  - DESSA- Devereux Center for Resilient Children
  - SEBRS-Social, Academic, and Emotional Behavior Risk Screener

### 2021 - 2022
- Provide professional development to staff members about the risk factors and warning signs related to mental health.
- Continue to implement the Wellington Engagement (5-12)
- Continue to partner with Talberthouse
- Talbert house will support referred students and families
- Talbert house: School-Based Therapists will offer individualized support/counseling to referred students
- Develop a more cohesive Districtwide MTSS Process
- MTSS team representative of internal stakeholders

### 2022 - 2023
- The goal for WWCSDD is to become a trauma-informed school district, which will require a layered approach to creating an environment with clear academic and behavioral expectations for everyone, open communication, and sensitivity to others' feelings and emotions.
## Approaches to Address Social and Emotional Need

### Approaches & Removing/Overcoming Barriers

What approaches will schools/districts use to address social and emotional needs identified above? What steps will be taken to remove/overcome barriers that may be associated with the social/emotional needs" (transportation to support services, no data to track/identify specific student needs, funding concerns to support approaches, etc.)?

### Considerations:
- **Resources** (Existing and Needed)
- **Partnerships** (Local/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, etc.)
- **Alignment** (Other District/School Plans, Wellness and Success plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans, student success plans, etc.)

### Budget

### Spring 2021

- Talbert House Counselors
- School Guidance Counselors
- Family University workshops (available on website)
- District Leadership Team Report
- PAX Training
- School Nurses

School psychologist collaborate with educators, parents, and other professionals to create safe, healthy, and supportive learning environments for all students.
- Consultation
- Intervention
- Prevention
- Research and planning

### Summer 2021

- Talbert House Counselors are available
- Principals, counselors, and teacher referrals

### 2021-2022

Become a trauma-informed school district, which will require a layered approach to creating an environment with the following:
- clear academic and behavioral expectations for everyone
- open communication
- sensitivity to others’ feelings and emotions

School Climate Survey
Wellington Engagement Survey

Development a district MTSS team comprised of the following:
- teachers
- intervention specialists
- special education supervisors
- school psychologists
- principals

North, South, and Primary Campus will create a cohesive Multi-

</thead>
<tbody>
<tr>
<td>Tiered System of Support (MTSS) framework to monitor student academic/behavioral progress.</td>
<td></td>
</tr>
</tbody>
</table>
As stated by ODE, this is not a one-size-fits-all exercise. Each district or school should consider its unique needs and issues and prepare its plan in a way that responds appropriately and leverages the assets of its unique partners. The template above has been designed to be as adaptable as possible given the wide range of district experiences and needs. The pages below in the Planning Support Document are designed to assist districts as they think through the nuances that may be significant to their respective district. Educational Service Centers are here to support. Some schools and districts may choose to have similar plans to facilitate effective implementation. ESCs may be able to provide coordination for such collaborative approaches. The following planning support document is provided to assist teams in thinking through the planning process. Additionally, rather than an exhaustive list of resources that quickly becomes overwhelming and outdated, a few key elements have been provided to assist in planning. Districts may also want to consult ODE’s Reset and Restart website and planning guide. Additional planning resources are also available at http://reframingeducation.org/. This decision-making framework was developed by Ohio’s network of ESCs to assist districts in having authentic conversations about instructional expectations and making plans to reframe education moving forward; we encourage districts to reach out to their ESCs for additional support as needed.
## Determining Academic Needs

**How will instructional needs be determined?**

Possible/Optional item(s) to consider:

- Performance on tests (e.g., district assessments, statewide tests, ACTs, etc.); (Districts will not have statewide achievement data until after the end of the school year and may need to identify assessment tools to identify gaps.)
- How will districts determine impacted/vulnerable populations?
- How will districts/schools combat barriers for disengaged students?
- What opportunities were missed due to the inability to access programming? Can any of these opportunities be reinstated in the summer or next school year? (Districts are encouraged to consider this question through an equity lens for student populations--Students with Disabilities, English Language Learners, Gifted Students, All Learners, etc.)
- Access to key opportunities (e.g., advanced mathematics, physics, higher education, interventions, etc.) may have been lost due to the pandemic.
- Attainment (e.g., high school diploma, college degree, employment)
- What essential elements of determining instructional needs are already in place?
- District MTSS Process and Universal Screeners
- Use of/Alignment with the OIP/DLT/BLT/TBT process to determine; What do students need to know? How do we know if they’ve learned it? How do we intervene for those students who have not learned it? How do we extend other opportunities for those students who have learned it?
- Gap Analysis for ELA, Math, Science, and Social Studies
- Prioritize Literacy and Math
- Prioritized Standards
- Supports for IEPs/Compensatory Services, Written Education Plan (WEP) adjustments, etc.
- Rising Kindergarteners (These students have spent a significant portion of their life in a pandemic environment. What needs might they have as they enter Kindergarten in Fall 2021?)

## Filling Academic Gaps

**How will academic gaps be filled?**

Possible/Optional item(s) to consider:

- Existing processes and supports
- Partnerships (ESC, libraries, museums, after-school programs, civic organizations, preschool providers, etc.)
- MTSS processes
- Effective district-wide/school-wide leadership teams focusing on achievement gaps
- Data-based decision-making - How will achievement gaps be addressed in BLTs and TBTs?
- Will measurable objectives be required? Or will these be supplemental offerings that the parent/guardian may choose to have their student participate in and benefit from?
- What happens with students who do become proficient?
- Triage plans for Seniors/Credit Recovery Options for HS
- Supports for IEPs/Compensatory Services, Written Education Plan (WEP) adjustments, etc.
- Student Success Plans
- Personalized learning opportunities
- Clear instructional plans have been created with prioritized standards
- Clear instructional plans have been communicated with staff, parents, and other stakeholders

## Professional Learning Needs

What **professional development** activities will be needed/offered to your school district’s teachers and partners to support learning recovery?

Possible/Optional item(s) to consider:

- Create and communicate a Professional Learning plan that includes professional development to help teachers determine academic needs, social emotional needs and to coach partners.
- How will teachers, stakeholders, and others be brought into the planning and professional learning process?
- If schools are looking to partners to support learning recovery, how will efforts be coordinated?
- How will tutors or others be trained?
- What school staff/ESC/SST staff can support training community partners?
- Alignment to the Ohio Improvement Process and One Needs Assessment
- What social and emotional PD will help teachers address wellness needs of students and staff recovering from added pandemic stressors? (Consider alignment to Student Wellness and Success Plans)
